

**HENRY COMMUNITY HEALTH
UNCOMPENSATED CARE
MEDICAL FINANCIAL ASSISTANCE PROGRAM**

Thank you for choosing Henry Community Health for your healthcare needs. Attached you will find an application for our Uncompensated Care Financial Assistance Program. This is a program that is provided by Henry Community Health to assist with hospital medical expenses. We would like to take this opportunity to provide an outline of how our program operates and how to accurately complete the application. The hospital utilizes the Federal Income Poverty Guidelines to provide the eligibility determinations. Eligibility determinations are based on the gross (before any deductions) yearly household income and not expenses. This is not a health insurance plan but rather assistance for unexpected hospital medical expenses.

If you are contacted by a representative of ClaimAid to assist you with a Medicaid or Healthy IN Plan (HIP) application, you must fully cooperate with them. If non compliant with ClaimAid requirements you will not be eligible for our medical assistance program for your hospital services.
