- Responsible for all laboring patients, obstetric emergencies, and gynecology consults and emergencies during the shift duration
- Community hospital setting with approx 350 births per year
- Approx 7 to 8-24 hour shifts per month (e.g., 7 AM to 7AM), 1 weekend shift required per month
- da Vinci Xi Robotics
- Signing bonus
- Retention bonus/Student loan repayment
- Relocation assistance
- Annual CME/professional dues & subscription allowance
- Pension plan
- Health/Vision/Dental insurance with HSA
- Must be board eligible/board certified

Our OB/GYN providers and practice:

Dr. Bruce Benninger, Dr. Chris Carls, Dr. Dana Jones, and Elles Niessen, NP have the leading OB/GYN practice for area women.

- The OB/GYN Office is located within the hospital with convenient access to the Surgery Center and the Women and Children's Unit.
- Percentage of office visits is nearly equal for GYN and OB, surgical practice is primarily GYN.
- We have the da Vinci Xi robot.
- Henry Community Health is a Baby-Friendly designated hospital with outstanding patient satisfaction scores from our OB and GYN patients. From 2020-2025, HCH and our Women and Children's Unit were recognized as an [INSpire Hospital of Distinction](#) for their commitment to infant and maternal health.
- In 2025 & 2026, HCH was designated as one of [America's Best Maternity Hospitals](#).
- Pediatric/Newborn Hospitalists are available 24/7 to attend high risk deliveries and care for normal newborns as well as those needing additional care. The hospital also has a 24/7 anesthesia team.
- Henry Community Health utilizes the Cerner EMR which provides one system for both inpatient and outpatient medical records. The EMR also has a patient portal.

Henry Community Health Description
